TRAINER PROFILE

Mr Konasaigran holds a master's degree from New Zealand. He has since worked in the local university embarked on research projects funded by the International Tin Council. He left in 1985 to join a leading multi national glass manufacturer and over the past twenty five years, has worked in the production encompassing productivity/process improvements, safety, TPM, waste elimination activities, quality, Procurement and in the last six years in Human resources. His experience in Human Resources covers the acquisition and merger of a eastern culture based company into western management practices. Konasaigran has vast hands-on experiences conducting in-house training programmes. He has attended extensive TPM, Quality, Productivity and Human Resources programmes and workshops both locally and overseas. Konasaigran is also a certified Safety Officer registered with DOSH Malaysia.

WHO SHOULD ATTEND

The program is tailored to meet the needs of production employees, safety committee members, maintenance workers or group leaders who are keen in grasping a full overview of Chemical Handling safety at workplace.
